Research Promotion Policy 2026

1. INTRODUCTION

To further improve the research and development culture in the MM(DU), suggestions on the research promotion policy 2022 were invited from all the stakeholders of the MM(DU). The suggestions received were discussed and a draft revised policy has been prepared by the committee.

2. PREAMBLE

Research and development are considered as one of the most important aspects in terms of quality enhancement in a University, leading to the creation and dissemination of knowledge. In line with the vision of the MM (DU), the research promotion policy, which was initially introduced in 2018 & subsequently revised in 2022, helped in improving the overall research output of the MM (DU). However, it needs to be more inclusive and effective to address some common concerns of the stakeholders and to make it more liberal to further enhance the research output of the MM (DU). Keeping in view the vision and mission of the MM(DU), the research promotion policy 2026 has been updated as follows.

3. OBJECTIVE

The main scope and objectives of this policy are:

- ❖ To motivate our faculty members to concentrate on research-related activities, in addition to teaching, to publish research articles in reputed international and national journals/ conferences with a quartile.
- ❖ To encourage our faculty members to submit proposals and secure funded research projects from various funding agencies in India and abroad with translational outcomes having social impacts.
- ❖ To recognize both faculty and students for their research output with a research award/ incentive.
- ❖ To provide technical consultancy services to industry and other organizations.
- ❖ To Supervise high-quality and timely completion of doctoral research.
- ❖ To create an excellent research ambiance and infrastructure.

- ❖ To motivate our faculty members to receive State, National, and international awards/ recognitions.
- ❖ To encourage our faculty members to file Patents & copyrights leading to Technology transfer.
- ❖ To encourage our faculty members to attend faculty and professional development programs like conferences, seminars, workshops, short-term training programs, etc., organized by institutes of national and international importance.
- ❖ To encourage faculty and students to apply for professional bodies membership/ fellowship of societies of National and International Repute.

4. Expected Outcome

- ❖ Enhancement of research quality and innovations.
- ❖ Expansion of knowledge and contribution to the nation's intellectual property wealth.
- ❖ Strengthening international reputation, fostering knowledge sharing, community building, and establishing collaborations to advance research and innovation in the region.

5. RESEARCH PROMOTION CELL (RPC) & PUBLICATIONS

RPC will be formed with both internal members and external experts as advisors on the key guidelines of UGC, to support all R&D activities.

- a. RPC will be having multiple verticals like Academic Research, Sponsored Research & Consultancy, Publications and Patents (IPR), Innovation Cell, etc.
- b. Each faculty member will publish at **least two research papers indexed in Scopus/ WoS index database in each calendar year.**
- c. Department having a PG program will allocate Research Mentors to the PG students in groups of two. Each group will aim at publishing one Research Paper/ Case Report/ Review with a Research Mentor as co-author in Scopus/ WoS indexed journals and one paper in a Conference Proceeding with an ISSN number.
- d. Departments not offering PG program but having Professional UG program must encourage pre-final year students in a group of not more than 4 students to publish an individual or collectively one research paper in each academic year in a Scopus/ WoS indexed Journal/ Conference Proceedings with ISSN number with faculty member acting as Research Mentors.

6. PUBLICATION INCENTIVES

To motivate the faculty members and scholars to publish in Scopus/Web of Science indexed journals, MM(DU) shall pay an incentive as per the table given below, for any publication (research, review, case report, case series, and meta-analysis) as per the journal quartile.

Table 1. Calculation of cash incentive.

S. No	Category	Number of Publications	Incentive Rs.
1	Journal publication / Case Report/ Case Series/ Meta-Analysis/ Editorial (indexed in Scopus/WoS)	From 3 to 5 in Q3/Q4 Journal	10000/-
		6 and above in Q3/Q4	15000/-
		Any number in Q2 Journal	20000/-
		Any number in Q1 Journal	25000/-
2	Book Chapter (National/ International Publisher) (indexed in Scopus/WoS)	-	8000/-
3	Full-length Paper Publications in Conference (indexed in Scopus/WoS indexed)	-	8000/-
4	Books (ISBN) only as author (not the edited books)	-	15000/-

- a) In case of more than one author, the incentive amount shall be distributed among all the authors of MM(DU) using the following formula;

$$\text{Share of an author incentive} = \frac{\text{Total incentive amount as per Table 1}}{\text{Total number of MM(DU) authors in the paper}}$$

- b) If a faculty member is not on the roll of MM (DU) on the date of publication, no incentive shall be given to her/him.
- c) Incentive shall be provided to the research scholars/ students if the date of acceptance of the research publication falls on or before the date of award of the degree and publication is with MM (DU) affiliation. If the research scholar/ student is not on the rolls of the MM (DU) on the date of publication his/her share will be forfeited.

- d) For Full-length Paper Publications in Conference category, either registration fees or an incentive whichever is less will be given, provided the publication is indexed in SCOPUS/WoS database.

7. INTELLECTUAL PROPERTY RIGHTS INCENTIVES

7.1. PATENTS & COPYRIGHTS

The cost of filing/publishing a patent by faculty member(s) / Research Scholar (s)/ Student (s) shall be borne by MM(DU), with the condition that all patent rights will belong to the MM(DU). In case of Technology Transfer for commercial purposes, the royalty earned may be shared between MM(DU) and inventor(s) on pre- and mutually agreed terms and conditions, with the inventor's share not exceeding 50%. MM(DU) shall pay a cash incentive of Rs.10000/- for any utility patent awarded to the concerned faculty members(s)/ Research Scholar(s)/ Student (s). In case of multiple authors, the distributions of incentive shall be the among MM(DU) staff.

The cost of filing Copyright by faculty member(s) / Research Scholar(s)/ Student(s) shall be borne by MM(DU), with the condition that all IP rights will belong to the MM(DU). In case of Knowledge/ Technology Transfer for commercial purpose, the royalty earned may be shared between MM(DU) and author(s) on pre and mutually agreed terms and conditions with author(s) share not exceeding 50%.

7.2. OWNERSHIP OF INTELLECTUAL PROPERTY

Any intellectual property or an innovation generated by faculty member(s) / Research Scholar(s)/ Student(s) will be assigned to the MM(DU). In case of a project sponsored by a government/Non-government agency, it may be a joint application as per the agreement governing such sponsorship. The student will own the copyright of the thesis/dissertation/ project report/ term paper. However, MM(DU)'s name must be duly acknowledged in books, articles, monographs, letters, other communications, etc., produced by the staff during the course of teaching and research using the usual resources of MM(DU).

8. RESEARCH PROJECTS GRANTS BY EXTERNAL AGENCIES

a. Process

Any faculty member intending to submit a project proposal for sponsored research funding must provide a complete copy of the proposal to the office of the RPC Cell at least thirty days before the deadline. Following a single cycle of scrutiny and necessary revisions, the forwarding letter shall be submitted to the cell, facilitating the formal submission of the proposal to the funding agency.

b. Cash Incentive

The project investigator and co-investigator shall be given an incentive of 3% (as specified in Table 2) of the net grant received by the MM (DU) out of the percentage of MM (DU) share of Research Project grant after submission of the utilization certificate (UC) to the funding agency, on completion of the project.

Table 2. Incentive for research grant to PI and Co-PIs.

S. No	Number of Investigator(s)	Incentive Percentage
1	Only PI	100 %
2	One PI & Co-PI(s)	PI – 60% & Co-PI – 40%

Note: If CO-PIs are more than one, the Co-PI share of 40% will be divided among all the Co-PIs.

9. TECHNICAL CONSULTANCY

The faculty member is required to complete the Agreement for Project Work (APW) in the format as per the MM(DU) guideline before any technical consultancy work. The amount must be received in the name of MM(DU) and deposited into the university's account. A part of the profit of technical consultancy work after subtracting the expenses, as per consultancy policy of the MM (DU) from the amount received by the consultants will be given as incentive to the concerned faculty member(s).

10. SEED MONEY/ INTRAMURAL PROJECT GRANT

Each research guide shall be given a one-time seed money/ Intra-mural project grant of up to Rs. 1,00,000/- for a specific period, which will be utilized only for the purchase of small equipment, testing charges, and consumables. Unutilized grant may be carried forward to the next financial year, after approval from the Vice-Chancellor.

It will be mandatory for the Research guide to seek the approval of the Director/ Principal of the concerned institute through the Head of the Department for any such expenditure. The research guide shall also provide a certificate that the goods/ service has been processed at the minimum market price.

11. Ph.D SUPERVISORS

The Ph.D supervisor will be given an incentive of Rs 10000/- per scholar if, he /she guides the students for the entire duration and the research scholar submits the Ph.D thesis within one month of the completion of three years from the date of registration. The incentive will be given after the award of the Ph.D. degree to the concerned student, provided there are no appreciable observations from the examiners in the evaluation reports.

12. PHD FELLOW PROGRAM

For those faculty or staff members who wish to pursue the PhD from MM (DU) a fee concession of 50% will be offered. Evaluation fee will have to be paid in full.

13. POST DOCTORAL FELLOWSHIP (PDF)

- ❖ All candidates applying to the MM (DU) through DR (Academics) for this fellowship have to appear for an interview conducted by the Institute/Department concerned.
- ❖ The duration of the fellowship will be initially for a period of 1 year, renewable for a maximum period of three years, on yearly basis and on satisfactory performance of the PDF scholar in the half-yearly review meetings. MM (DU) reserve the right to terminate the fellowship at any stage if the progress has not been satisfactory.
- ❖ There is no provision for providing manpower support under this scheme. The PDF scholar is expected to undertake the research objectives by himself/ herself during the entire duration of the fellowship.
- ❖ The PDF scholars are not eligible to receive any other fellowship from any Government or Non-Governmental source during the tenure of the fellowship.
- ❖ Fellowship amount- 40,000/- per month for a maximum duration of three years.
- ❖ Subject to submission of satisfactory six monthly progress reports by the concerned Director/ Principal and publication of four papers as first author every year in SCOPUS/ WoS Journals

14. FINANCIAL SUPPORT FOR RESEARCH PAPER PRESENTATION IN NATIONAL/ INTERNATIONAL

(i) Conferences/ Seminars/ Workshops
